

Is your youth group a Christian Community?

All the believers were one in heart and mind. No one claimed that any of his possessions was his own, but they shared everything they had. With great power the apostles continued to testify to the resurrection of the Lord Jesus, and much grace was upon them all. There were no needy persons among them. From time to time those who owned land or houses sold them, brought the money from the sales and put it at the apostles' feet, and it was distributed to anyone as he had need. Acts 4:32-35

And Jesus said, "Come with me by yourselves to a quiet place and get some rest."
Mark 6:31

Are you building Christian Community?

When you build a house, you establish a strong foundation and then roll up your sleeves and get to work. There are supporting structures, warming systems, and inviting doorways to be created.

When you build a Christian community, you start with a strong foundation in Christ and intentionally get to work building relationships and attitudes that form mutual support, warm fellowship, and extend the invitation of love in Christ to others.

We can help you!

Camp Overlook has designed a retreat weekend to help you grow your youth group into a Christian Community modeling after the early church.

Our retreat package includes scheduled activities, lesson plans for focus sessions, ideas for worship, menus and procedures for meal preparation, and the program supplies and equipment to run your program. If you need additional assistance we may be able to enlist a retreat leader to be with you much of the weekend.

Details

- Retreat packages for 10-30 participants
