Camp Grands
Overlook Needs You!

Become a *Grand* Parent for Overlook:
Invest in the future!

Overlook has been and remains a place to spend time with God in the beauty of God's creation. Over the years tens of thousands have shared formative Christian experiences on this mountain. We are committed to continue to provide safe and pleasant spaces for God to move within us. The Faith Cabin renovations are now complete and handicap accessible!

This is all possible thanks to Camp Grands.

Our future plans include making our facilities more accessible and add air conditioning units in Charity cabin and the Swank Retreat. We also would like to start making some improvements to Glovier Chapel in the near future.

We need 30 Camp Grands to provide the resources to continue our work providing a safe space for people to meet God on the Mountain.

Who are Camp Grands?

Camp Grands are individuals, families, churches, fellowships, Sunday school classes, reunion groups, or any other collection of people who want to be like ***Grand parents*** to Overlook. A person may participate in as many memberships as they like!

Camp Grands donate a one time gift of a Grand - $1000 - to help *move mountains* at Overlook. This may be a single payment or installments of the participant's choosing. Personal gifts are tax deductible.

Camp Grands would like 30 more memberships to continue making improvements to our facilities. (visit CampOverlook.org/invest)
