# Friends Together

Please understand the staff for Friends Together are dedicated volunteers who are serving this special population out of love and Christian commitment. Though some have some experience working with the developmentally disabled, none have any formal training and most have only a few hours of orientation. Campers need to be ambulatory enough to move around within the cabin and be able to get into a van or golf cart for longer distances. We are not able to accept campers restricted to a wheelchair due to our graveled and hilly paths.

We are very limited in our ability to respond to special diet needs as we have only a couple of cooks for a large number of people. Be sure to provide any diet concerns below for the 3 days and complete each of the other questions as well.

Please complete this portion of the Registration Application and the Health Form and return them to our office with full payment. We have a maximum of 50 floor level beds. If your camper is able to access and sleep on a top level bunk, it will open a space for another camper.

**Our deadline for accepting registrations is May 30th!** Registrations will be processed on a first come-first serve basis. Be sure to get your paperwork in early to reserve you spot!

Should your application not be accepted you will receive a full refund. Make checks payable to "Overlook" and include with registration.

**\*\*\* A REGISTERED NURSE will be on site \*\*\***
