

HELLO SUMMER STAFF

First, thank you for volunteering your entire summer to be with kids and teach them about Jesus. There aren't a lot of people out there that would make this sort of sacrifice but you did and **that is amazing**. If this is your first summer you absolutely won't regret it! High-five for being awesome

In this packet you should find a packing list, a training manual, as well as some of staff conduct guidelines so we all have the same understanding when you get here. Along with the packing list, please make sure you bring 6-7 **reusable masks**. We're not sure what the healthcare guidelines will be yet but we want to be prepared for all! On that same note, if you happen to be stockpiling hand sanitizer and would like to bring that for your own personal use or to share that is also highly encouraged.

We can't wait for y'all to get here and for camp to be alive with campers and staff! We know that God moves in **incredible** ways here at camp in the middle of nature and we are excited to see how He moves especially after this challenging time.

If you're looking for some ways to prepare yourself besides prematurely packing up your car here are a few ideas:

- Start **waking up and going to bed at a decent time**. This may be hard to adjust to but you'll be thankful you did as camp time waits for no one (okay, we'll wait for you but we may not be too happy about it)!
- Make sure you **keep up with your exercise**. Your main mode of transportation out here is yo' feet and you don't want to be ill prepared for that when campers are here! No matter how in-shape you think you are they will always, ALWAYS have more energy.
- **Get in the Word!** This summer will be amazing but it will also be challenging in ways you didn't expect. Make sure your heart is ready by getting into your bible daily, doing a devotional, worshipping, or however best you connect with God.

If you have any questions, comments, or concerns **please reach out!** We are here to prepare you for one of the greatest/most life changing/ most impactful summers of your life. We don't want to prepare for it to be a stressful event! I've included the camp email as well as my phone number at the bottom of this incase you need absolutely anything at all.

See y'all soon!
